

MASTERBUILT AVANTI

THE AVANTI is a perfect choice for any compact backyard or patio area when outdoor living space is at an absolute minimum, but you still want the luxury of an attractive and functional fibreglass swimming pool to take the edge off the sultry summer days. Always a popular choice combining form and function, the Avanti pool is one of our smaller, yet impressively designed, range of fibreglass swimming pools. This 3.0m wide Avanti Pool comes in four different lengths to suit even the most compact of backyards. 5.5m, 6.5m, 7.5m and 8.5m. Perfect for entertaining guests, or just you and a friend. The Avanti fibreglass pool range is designed with steps located at the shallow end of the pool and bench seating at both ends. Nothing beats the refreshing feel of relaxing in a cool pool on a hot day. Make the most of your backyard and install one of our luxurious Avanti fibreglass swimming pools. Compact enough to slot into the smallest of backyards, yet large enough to provide plenty of space for relaxing. The Avanti is both attractive and functional, certainly more than capable of living up to your every expectation.
